

Arkansas Fire Districts

Sources: County fire districts and the Arkansas Forestry Commission.

The University of Arkansas at Little Rock GIS Applications Laboratory compiled the data contained herein from various sources. Where the data were translated from one format to another, the UALR GIS Laboratory made all reasonable efforts to preserve the data quality. Acceptance or use of this data is done without any expressed or implied warranty. All of the fire districts have not been certified as of March 18, 2005.
